

Dear Praying Friend,

Thank you for your continued prayers and support for our church planting and evangelism ministries in Pakistan and Bangladesh. Our Heavenly Father continues to use our ministry in many hard to reach and rural areas of Pakistan and Bangladesh to bring many to the saving knowledge of Jesus Christ. This year, we have been able to plant several churches in the deserts of Sindh and unreached Baluchistan.

Praise

For the 7 new church plants in the rural areas of Baluchistan. Muslim community is very religious in Baluchistan. They do not like people from other areas visiting their area. Even in this hostile environment, our Heavenly Father is using our brothers to build His church in this area. Please pray for God's continued work in these new churches. Please pray for more bibles and hymn books for these areas.

For the 3 that accepted Christ in Sindh. Pastor Heera and Pastor Yousaf were able to baptize the new believers. Please pray for the spiritual growth for the new believers. Please pray that they will raise up to be a strong testimony for Jesus Christ.

For God's provision for the land for a church building in the hill tract area. Pastor Sushil is leading this church plant in a Buddhist community. So far 35 Buddhists have accepted Jesus Christ through this ministry. Please pray for God's provision for the church building.

Pray

For the people effected by the recent floods in Pakistan. Thousands of people have lost everything from in these floods. Many people have been swept away in the flood. Please pray for God's mercy on these people. Our team plans to reach a few areas in KPK (Province), Punjab (Province) and Sindh (Province) to help the effected churches and believers that are without any help in these areas. Please pray for God's provision for food, beds, blankets and tents for the ones with no help.

For God's work in in the villages in Tandu Jam (city), Pakistan. Our team of pastors have been working hard to reach Muslim and Hindu unbelievers in this area. Please pray that God will work in the hearts of the ones receiving the gospel. Please pray for the safety of our team as they encounter several aggressive Muslims as they share the gospel.
