

For God's provision for the water wells in Marwari, Sindh. Several villages in this area are without water. People must walk several miles to get water from the dirty ponds for their daily use. Our team plans to install a few water wells and use this opportunity to share the gospel with the unbelievers in this area. Please pray that God will use this ministry to bring many to His saving knowledge.

I thank our Heavenly Father for using our team in many hard-to-reach areas in Pakistan and Bangladesh. Many of these places seem impossible to reach. But with God, all things are possible. Thank you for your valuable partnership of prayer and support. Because of your partnership of prayers and support, our Heavenly Father continues to advance His gospel in the unreached areas. God bless you.
