

Dear Families,

Welcome to the Cloak of Kindness Squad at St. Martin-in-the-Fields! This special program is designed to nurture the hearts and minds of elementary-aged children by exploring the inspiring story of our patron, Saint Martin, who showed courage and kindness by sharing his cloak with a stranger. Through engaging Bible stories, creative crafts, and meaningful service projects, our kids learn how to live out their faith with empathy, generosity, and everyday bravery.

We are so excited to have you join us for our 2025-2026 session! Whether you're new to St. Martin's or a returning participant, we look forward to meeting you and having an amazing time together on Monday evenings.

Here's some important information for you:
