Ecclesiastes 3:1 (CEB)

There's a season for everything
and a time for every matter under the heavens

Greetings friends,

It's that time of year when we get back into a different rhythm, when we "fall" into new patterns.

I have a saying on the wall in my office that serves as a great reminder-

"Fall is proof that change is beautiful."

Changes do come with fall- leaves turn all sorts of beautiful colors, the days get shorter, the temps cool down. We move begin collecting coats for Coats for Kids, getting supplies and gifts for the Christmas Express Bags for Enemy Swim Day School, and feed a hungry and grateful NSU football team. We have fun and learning on Wednesday evenings with the youth, the UWF ladies begin planning and preparing for the soup and pie supper, afternoon out ladies reflect on various topics and enjoy time together, choir starts back up...and so much more.

As we fall into new rhythms, may we fall into all that God has for us at North Highland UMC!

Lastly, this fall, I invite you to consider making a special gift to support the ministry here at NHUMC! Your generous giving is very much appreciated and allows to do the ministry that God is calling us to!

Check the church website and your email for updates on other happenings this Fall!

Walking this journey together,

Pastor Andrea
