

Missionary Corner

We are doing well, thanking God for our various ministry opportunities. He is faithful!

Monday Bible Studies at Choma Youth Center are a highlight of our week with the youth, good discussions and debates, about the Bible, culture, and how we can apply the Bible to our lives today. We enjoy that the youth feel free to give open and honest answers as they share person struggles. We enjoy giving practical guidance in sewing, computers, sports, music and mechanics. Lucky enjoys the team he has at Niza Autoworks, working on practical skills and their personal lives through conversations. Our desire is to see those around us know Jesus, walk with him, and grow in personal development. Our Friday children's program is expanding and relationships are being built in the community. The sports program often takes place at our local Trades College and we have had the opportunity to share Jesus and the Bible through sports, and we also invite these students to join us at the youth center and some of them as interns in mechanics. Our young mothers group meets weekly and we are going deeper as we deal with real issues that they are facing and are able to walk alongside them. We have a heart for people and are so thankful for the relationships God continues to build around us. Continue to pray that we will be a light in the community of Choma, Zambia.

**About the Study:** Religious teachers in the early church were insisting that  
faith was not enough, that being right with God required something more.  
Early Christians were almost ready to accept and follow these extra  
requirements. This disturbed the apostle Paul. So he reminded the  
believers that salvation isn't based on following a religious code. Nor is it  
based on what we do (or don't do) or what we know or feel. Nothing is  
required on our part, except to believe. In showing us the profound  
difference between living by law and living by grace, he reminds us that we  
are indeed free in Christ.

Missionary Corner

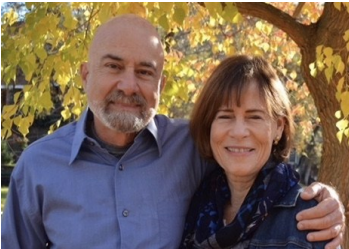

We have had a full several months. Suzanne had a big flare-up of sciatica  
which brought us to a standstill for nearly two months. She was able to  
get some excellent treatment including a shot of cortisone. But that is now  
behind us, TYJ.

We did go up to Vancouver and Powell River to spend time with a close  
friend and also to see our daughters and grandchildren. Keilah surprised  
us by getting married to Chris Lynn with whom she has been for six  
years. We have spent time with him over the years...he is an excellent  
young man of quality and integrity. Chris has two boys; which brings our  
grandchild total to 10! In a few weeks we will be going to Detroit  
to celebrate Suzanne's mom's 96th birthday!

My last trip to MX was at the end of July. I want to share a testimony from  
that trip. "On the 9th of July I went to buy a countertop from George  
with whom I had a business relationship. On that day, for the first time I  
felt the Lord prompting me to share Christ with him. As we dialogued it  
became apparent that while he believed in Jesus he didn't have a  
relationship with Him. I explained salvation to him and asked him if he  
would want to pray to receive the Lord. I held his hand and asked him to  
repeat after me. When he repeated the words, "...thank you Lord for  
inviting me into your Kingdom..." he jerked his hand away, pointed to his  
eyes, his nose and his mouth as if he was going to explode and he started  
to cry...real tears that fell on his t-shirt. I stayed for a while and ministered  
to him while he continued to catch tears on his shirt.  
Mexican men are stoic by upbringing...they don't cry and certainly not in  
a public place!!"

And my next MX trip will be at the end of November (US Thanksgiving.)

Thank you for being with me on this journey. Thank you for your prayers  
and for all your encouragement and support and thank you Jesus for let-  
ting me be part of this life  
transforming ministry.
