## Next Sunday (10/5)—Fall Odyssey

11:45 am to 1:00 pm

What is a "Fall Odyssey", you ask?

It's the celebration of the conclusion of Paul's Odyssey, and the beginning of a new season. It's an opportunity for fellowship and enjoying God's greatness. It's a wide-eyed exploration in serene surroundings. It's one part scavenger hunt and one part take a deep breath and enjoy the journey. In a nutshell, it's just going to be fun!

This event is for everyone, young and old. We will set out for the ever-expanding Grace Trails after the service. A light lunch and treats will be provided. Weather permitting (rain date - October 12), we'll be walking the trails and collecting a list of treasures along the way. Go at your own pace, relaxed or racing, we will provide transportation for those in need. In the process, you'll have a chance to connect with God and your church family, and appreciate this gift God has given us, along with its vast potential.
