

TRUMP'S 21-POINT PEACE DEAL ME

Dr. June's analysis on recent events...

- **21 MEANS** The 21st level of Freemasonry is known as the **Patriarch Noachite, or Prussian Knight**, a degree of the Scottish Rite. The lesson emphasizes the importance of justice, humility, and modesty
- **Charlie Kirk kicking off “martyrdom”** (remember “I can’t breathe” slogan in 2020 and the following events)
- **Communion Blood Revival** - Come to the Table in Washington DC - ecumenical - by the Vatican. Public display of Jesus at LAST SUPPER before HIS MARTYRDOM!
 - Same group sponsoring this did KAIROS 2017 where they did away with the protestant reformation and blurred the lines of doctrine and merged evangelicals underneath (protestants) the Catholic church. These leaders bowed and kissed their feet.
 - Kenneth Copeland’s weird communion about drinking blood communion.
 - Michigan guy shot LDS church right after they did communion! This is being pointed out in the media.
 - October 8-11 with city-wide missions (Vatican Ecumenical objective of their Eucharist Revival three year plan which ends this year! So this event is the final act)
- **US Govt warning about ISIS terrorist** plot against Christians globally.
- **FEMA providing grants to churches** for security beginning this year. Allowing the beast in.
- **Trump’s Faith Group led by Paula White-Cain** started a national faith association where all churches under one banner now.
- Trump is building ships for prisoner delivery to other countries and having foreign entities building it.

FROM NETANYAHU

- Your leadership from abroad is changing the world and peace
- We would not have achieved this **“turning point”** if it was not for our soldiers who fought like lions.
- When our countries stand together we can accomplish so much more!
- Trump’s plan is consistent with Israel’s 5 point plan to end war!
- Palestinian Authority will NOT BE A PART OF THE LEADERSHIP!
- International Body will be in charge of doing away with Hamas and enemies
- He threatened Hamas they either do this or war will continue!
- **We’ve all worked TO-GET-HER to end the curse!**
- May we all be inscribed in the book of life!

So basically, they did not broker a peace deal between Israel and Palestine! Palestine has nothing to do with the country except to move back in it underneath Israel control! This peace deal is between Jews and Muslims to both control Palestinians and the waterways, etc.
