**... Join the  
Annual Legacy  
Celebration Dinner  
Saturday, November 8th**

An exciting gathering of committed donors, volunteers, current and alumni TYM kids, parents, and caregivers. We'll reflect on what God has done, share where we are now, and forecast the vision He is calling us FORWARD to.

**As a guest, you will be energized by accounts of what God is doing in the lives of kids and families and be invited to join the community we call *The TYM Family*.**

TYM offers mentorship, life skills, and resilience tools within a Christian frame-work through year-round after-school programs and camps, guiding students to overcome challenges, excel, and unlock their potential. We provide hope, support, and community for kids and parents navigating the challenges of urban life and today's culture.

# Serving Urban Kids & Families

TYM is changing the life trajectory of youth who daily face the challenges of urban life. Through year-round programming and mentoring relationships, we guide students through a Transformational Journey to instill resilience and fulfill their God-given potential to impact their world and future.

TYM offers unique, dynamic and innovative programming, events, and camps with Christ as our central focus to equip them with what is needed to navigate the challenges and pressures of cultural trends and develop the resilience needed to succeed as positive influencers, actively contributing to their community.

# Our Vision & Mission

TYM's vision is to grow as a Catalyst for Youth Development, actively transforming the lives of Bay Area urban youth.

Having served 10,000+ students across 30+ years of excellent summer camp experiences, since 2017 we have been expanding our year-round programming for children 8-12 years old. Our comprehensive, holistic approach -- which includes facets of academic enrichment, character building, leadership development, spiritual formation, and family engagement -- is an important part of each student maturing into a self-reliant adult who has a personal relationship with Jesus.

# Powerful Trio of Programs

## → Summer Camp

Since 1991, TYM has hosted TYM Camp where we share the Gospel and tailor a premiere and intentional experience for every child.

## → THRIVE!-4-Kids

Unique small group mentoring with godly, adult coaches teaching, training, and modeling critical life skills building resilient kids.

## → Family Foundations

Serving a child well means serving the family well. Parents & Caregivers join and contribute to supportive community.
