OCTOBER NEWS LETTER!!!

Hello Parents,

October is here!! I can feel that cool crisp fall morning air in the Desert!! We have finished our Vowels doesn't mean we forget about them. Please work with your child at home with those short and long vowels sounds. We will be adding the rest of our letters and sounds and get to blending. It is the coolest thing to Watch their eyes when they have actually wrote down a real word and they can read it!!!

ACADEMIC

LETTERS: L,M,N & H
