

# KINDERGARTEN

## OCTOBER NEWSLETTER

Already October and heading into the second quarter. Thank you so much for your continuous support and communication. I recommend doing our fun and learning at home, students are learning so much and getting a lot of information to process and put into action. They are on their way of becoming readers so it is very important to read at home use our reading log to support this journey. We have a lot of important dates coming up be sure to add them to your calendars. I hope you all enjoy fall break. Please feel free to reach out with any questions or comments. Best, Mrs. Clara
