

Church Prayer List
October 7, 2025

Updated Today or This Week:

Darlene Clackum (Renee Hibbard's cousin) and **Hans Kwast** (father of Renee's neighbor) both passed away on Monday. They were both on the prayer list for awhile so please remember these families during this time. Han's daughter, **Chelsea Barbier**, will be flying to Washington for the funeral. Remember her as she travels and is currently 7 months pregnant.

Ronnie Branton is in the hospital with health issues. Pray for healing.

Reese Storey (Glenda and Robert Reese's granddaughter) is having a biopsy performed on the 14th on a thyroid nodule. It is believed to be cancerous based on the scans but they will know more once the biopsy is performed. Please keep her and the family in your prayers.

Hal Maulden has Stage 1 cancer of his vocal cords. He will begin radiation therapy on October 8 which will be for 5 weeks. Radiation should take care of the vocal cord cancer. He has a thyroid nodule that will be removed in December. He and Phyllis appreciate your prayers and ask that you continue to remember him during his treatment.

Elizabeth Pendergrass (Brittney Rodgers' mom) will be having surgery on October 9 to remove a kidney stone. Pray for the surgery and recovery.

Jerry Garland will be having a chemo treatment on Monday to target other areas where the cancer has spread. He is also looking at having a procedure for pinched nerve and if successful this would be life changing and greatly improve his quality of life. Be in prayer over both of these treatments/procedure.

Odell Crane's granddaughter, Mitzi White (59 years old) passed away on Friday, 09/19/25 from a massive heart attack. She will be cremated and a memorial service will be held at a later date.

Mark Massey had back surgery on Tuesday, September 16. He is home and his pain is less than it was before surgery. He will have physical therapy 3 days each week. Continue to pray for his recovery..

Nancy Knight, niece of Linda McIntyre and Jane Waits, has cancer and is taking treatment for it. Please keep her in your prayers.

Ken Nix is doing well since his cancer surgery. He will be having a PET scan soon. Prayers for healing and results from scan.

Sharon Nix was recently diagnosed with cancer and her scan showed that it has NOT spread. Praising God for this good news! Radiation will start on 9/3 for 5 weeks. Continue to remember her.

Church Family:

Gail Cantrell continues chemo treatments every 3 weeks and takes chemo pills every day. Tumor markers are going up. Pray for those to go down and minimal side effects from these treatments.

Charla Dover has recently been diagnosed with breast cancer and has completed chemo and radiation. She will have a PET scan in about 8 weeks to re-evaluate and will most likely be on a maintenance drug for 5-10 years. Pray for her continued healing.

Shelia McIntosh had surgery on August 1 for breast cancer. She saw her surgeon on August 7 and pathology showed that ALL of the cancer had been removed and had not spread to her lymph nodes. Huge praise report! She wants to thank everyone for their prayers, calls, texts, food and support!

Donald Moore has bursitis in his hip and is going to physical therapy for it.

Bud Richardson is home but still having problems with high blood sugar, so please pray that it will go down. He will begin homecare with a nurse and PT visits soon.

Jerry Ross is having difficulty with his pulmonary fibrosis and hypertension.

Family and Friends of Church Members

Keith Michael and Meredith Anderson, Word of Life missionaries in Atibaia, São Paulo, Brazil.

They are currently in the states on furlough.

Harold Brock, friend of Donald Moore, has 2 spots on his lung that are malignant and is scheduled for surgery to remove them.

Brandon and Kristan Cook and family, missionaries in Italy. Friends of Carl and Mary George.

Kimberly Hethcox, sister of Gail Jones, is having brain surgery complications as well as a tumor on her renal artery. Prayers for healing.

Virgil Hughey (Randy and Glenda Reese's neighbor) is almost 4 months old and has cancer. He will be taking 60 chemo treatments. Please remember him and his family in your prayers.

Ellen Kanada, Olivia Shoults' mom, has pre-leukemia (MDS) and will have a CT scan and bone marrow biopsy to see how advanced it is.

Ruth Smith King, Wanda Hill's sister, has some serious health issues. Please pray for God's wisdom in her medical care, and for comfort, healing, and relief of pain.

Misty McBrayer, Jan Boland's niece, is receiving treatments for leukemia and liver disease. Praying she won't need a liver transplant, and the cancer gets under control.

Erin Morrison's breast cancer surgery went well and she has tolerated the chemo treatments well. She will be having radiation therapy once chemo is complete. Pray she tolerates those also. Family friend of Barbara Cox.

Colton O'Neal, Shelia Mills' nephew, is doing well and will have a laser surgery in December.

Michael Ong, Amy's husband, still needs prayer for salvation and allow God to heal his heart and make Jesus a priority in his life for his family.

Danny Prather, a friend of Rocky Lane, has inoperable stage four metastatic cancer. He is currently on his second round of chemo and will have a scan in a few weeks. Pray for the results of the scan and that the chemo slows the growth.

Barry Smith, a friend of Rocky Lane, has been diagnosed with a brain tumor and is recovering from recent surgery. Keep him in your prayers
