3RD QUARTER UPDATES

Newly Baptized Believers in our church as new members

For this quarter, we are so blessed to have 4 baptisms in our church as part of our growth as we labor in the ministry here in the mission field. Truly God is amazing! We have Sis. Dee, Sis. June, Bro. Petch and Sis. Joy Anne as our newly baptized members. God is working in the hearts of the people through our prayers and Soul winning ministry. Please do pray for their spiritual growth and maturity as they follow the Lord Jesus Christ. There is Joy in serving Jesus. To God be the glory.

Giving of School Supplies to the Village School

All Teachers of the school in the village were very happy to see their students received the gift of school supplies. It is indeed a blessing to distribute to the students. We can see the joy and the big smile on their faces. What a blessing to minister unto them through giving.

3RD QUARTER UPDATES

Feeding Program@Kids Ministry at the Park

We have the privilege to have our feeding program for our Kids Ministry. We cooked spaghetti and prepared some bread for them to be fed. Before the program, our volunteers did the singing through action songs and games to entertain the kids. After that, someone taught a story from the Bible. Then we distributed the foods with some milk. The kids were very happy and enjoyed eating their food. We are so grateful for the sponsors and partners with this ministry. It's a blessing indeed!!
