

HORNOR FAMILY

SEPTEMBER

We are grateful to the Lord for the number of visitors that have been attending on Sunday. Both in August and Sept., we had friends or family from members of our church visit.

Mariana turned fifteen years old this month, which is like turning sixteen in the United States, but it is a bigger celebration. Mariana didn't want a "big" celebration, so she had a photo session done in the picturesque town of *Mocorito*.

At church we did, however, have a celebration of the liberty and freedom we have in Christ. We had excellent services, fellowship, and food that day, and we praise the Lord for the 130 people who attended.

Leading up to this event, and thanks to a supporting church for their generous donation, the tile for the new auditorium floor and platform was laid down in time.

Same picture just with all the chairs

This month I began teaching an online class, General Epistles plus Hebrews, for *Seminario Bautista Logos* (Logos Baptist Seminary), an online-based Spanish language Bible college.

Next month, I will have the privilege of participating and representing SBL at a pastor's graduation near *Pachuca, Hidalgo*.

PRAISE & PRAYER REQUESTS

- We thank the Lord for another year of life He has given to Mariana and for the blessing she is in the ministry.
- We also thank the Lord for TBC in Virginia Beach, VA, for their donation for the church project.
- Please continue to keep our young people in your prayers that they would seek and follow the Lord's will for their lives.
- Pray for the visitors that have heard the gospel that they would be saved.
- Pray for us as we continue to evangelize surrounding towns.
- Pray for our state as the situation of violence in *Culiacán* continues.
- Pray for us as we continue with the church project. There is much still to do.
- Pray for spiritual growth for the families in our church.
- Pray for us that the Lord would give us grace and wisdom as we serve Him and His flock.
- Please continue to pray for my father's complete recuperation. He suffered a cerebellum attack on Sept. 18, which has affected his balance and coordination. He is doing much better.

Thank you for your prayers and support,

Brian, Diana, Jésed, Mariana, y Brandon

AUGUST

As always, a big highlight of the month was taking our youth to Camp Meta in *Morelia, Mich.* We had a group of six adults and nine campers go this year. My wife and I helped in an outside kitchen, and I helped Pastor *Radamés* with a project for the Christian school they have in his church. Diana also had the opportunity to speak to the girls for a divided session.

This month we finished evangelizing a small town called *La Primavera*. I had the joy of witnessing to some old teammates I played soccer with.

Also, this month we received a decent amount of rain. One day the wind caused some electric cables to touch, and we had to shorten our mid-week service due to a lack of electricity in some parts of the church. It was fixed the following week.
