Chaos abounds in Venezuela. Politics to Poverty, Human Rights Violations, and even ships and guns pointed toward Venezuela to fight the drug war! U.S. Embassy maintains highest Travel Advisory Levels for Venezuela.

Two weeks ago...traveling from the market in Heredia to home...our Uber driver/friend from Venezuela, Juan Jose, picked me up. We have had ministry to him and his family here in our home many times. We talked about the current state of affairs of his beloved country. He remembered that six years ago we first expressed our desires to go and have ministry in Venezuela. Just before arriving at our gate he asks "Will you ever get to go"? Oh, wow, what a loaded question! I took out my phone and we sat in front of the house and looked up the cities that we had heard from in just one week...searching for more audio programming and printed resources as a result of radio ministry in both Colombia y Guyana. He totally delighted in my answer "Yes, we are already there!"

Thank you, thank you, thank you for prayerfully and financially getting this work done! Pray that through this avenue, though seemingly impersonal and likely to never go ourselves, that we will be able to say as Paul did, "So being affectionately desirous of you, we were willing to have

"And herein is that saying true, One soweth, and another reapeth..." imparted unto you, not the gospel of God only, but also our own souls, because ye were dear unto us."

On Friday, 10/03 @ 10:30, I have another eye treatment at the Vanderbilt Eye Institute. It's been a long 10 months of appointments, treatments and injections that we have had to work around. But, POR FIN and finally!!!! Can you see that green line? I can!!!

There has been a reduction of the swelling by 50%. We needlessly feared that we would not be considered for more care! Can you hear us a praisin'!!!!

We make this appointment with our bags packed and ready to head to Guatemala the very next day! We will not be going alone! The Almighty invisible God is already there. The Holy Spirit is calling to us, beckoning us. Two elderly foreigners of which the old man now walks with a limp. We will go armed with a meek and lowly spirit and a ready answer. Our mouths will be open and confident that the Holy Spirit will fill them with HIS wisdom to meet their need. We will be in Quetzaltenango, Guatemala, till the first of December or until the pillar of Fire by night and the Cloud by day moves.

From the U.S. Embassy ...

"The U.S. government warns U.S. citizens against travel to Venezuela for any reason. Venezuela has the highest Travel Advisory level - Level 4: Do Not Travel - due to severe risks to Americans including wrongful detention, torture in detention, terrorism, kidnapping, arbitrary enforcement of local laws, crime, civil unrest, and poor health infrastructure.

More U.S. nationals are currently wrongfully detained in Venezuela than in any other country. Other foreign nationals in Venezuela are also frequently unjustly detained. U.S. citizens in Venezuela should depart immediately."

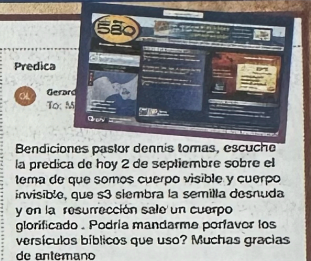

Bienaventurado el que lee, y los que oyen las palabras de esta profecia, y guardan las cosas en ella escritas; porque el tiempo está cerca.

Look it up ... Revelation 1:3
What a 'fire' this lights within our hearts! Inquiries are not for my opinion ... but to give more references to God's Holy Word! Oh, what sweet, sweet fruit

Good morning pastor. I always listen to you on Radio 580. (Nicaragua) **Your preaching today is the Word of God, faithful and true.** Will you please send me the biblical references? The theme was about the coming of the Lord. I want to share this message with my 5 children. I congratulate you and continue to go forward.

Radio Limeña, El Salvador, specializes in Romantic, Tropical and Latin Music! In the midst of such popular music programming, we've had a voice for many years proclaiming the Word of God! Don Hector, the owner, wrote to us this week to say what a blessing the teaching is! He also informs us that he has been blessed with another radio station and will pass the programs onto it also. That it has even more coverage than Radio Limeña! Zechariah talks about ... 'the seed that shall be prosperous; the vine shall give her fruit, and the ground shall give her increase, and the heavens shall give their dew; and I will cause the remnant of this people to possess all these things.' Oh, how our hearts have been encouraged today!

A beautiful 'visual' of the process of aging and eventual death is found in Ecclesiastes 12:1-7 "... the years draw nigh ... when the keepers of the house shall tremble, and the strong men shall bow themselves, and the grinders cease because they are few, and those that look out of the windows be darkened, And the doors shall be shut in the streets, when the sound of the grinding is low, and he shall rise up at the voice of the bird, and all the daughters of musick shall be brought low; Also when they shall be afraid of that which is high, and fears shall be in the way, and the almond tree shall flourish, and the grasshopper shall be a burden, and desire shall fail: because man goeth to his long home, and the mourners go about the streets: Or ever the silver cord be loosed, or the golden bowl be broken, or the pitcher be broken at the fountain, or the wheel broken at the cistern. Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it.

Bro. Charles Ison has passed on before us. He was my friend, a man of God, a prayer warrior who labored in the Scriptures mining out, bringing forth to the surface the jewels and from the bottomless depths of the sea the Pearl of great price, all the riches of God's grace. Now, Bro. Ison is at rest, Ecclesiastes 12:5 "man goeth to his long home."
