Report from Missionary Pech

Dear Pastor and Church,

We are very happy to serve our Lord Jesus Christ in this part of the world.

God has been very good to our family, even though there has been constant insecurity, with cartels being present, some killings, others are missing, and we continually see the army mobilized to protect the citizens, but we have confidence in the Lord's care and protection.

Up to this point, God has allowed us to carry out some activities with the participation of GPA and the **MERCY PROJECT MINISTRY.**

In June, we held Vacation Bible Schools from June 23rd to 27th; a Medical Clinic from July 13th to 18th; and an Evangelistic Campaign from July 28th to August 1st.

We had tremendous attendance, with people receiving Christ and being baptized.

Sincerely: The Family Pech
