With October being Pastor/Clergy Appreciation Month, demonstrate your appreciation for our pastoral staff, their families, and their ministry areas by asking how you can pray for them over the months ahead. Take careful note of their replies and make a special effort to follow through with your prayers. Praying FOR someone by praying WITH them is a BIG BOOST!

Also consider, that pastoral ministry goes beyond the doors of the church, the list of staff pastors, and even beyond retirement! So, we want to express our appreciation to the **Other Clergy** in our midst as well:

Ed Farris

Missionary Emeritus

Tabatha Wootan

Community Chaplain

Consider asking any of these ministers what you can do to assist them in their ministry area or maybe how you can assist with something at their home. Of course, a meal out or a home-cooked dish or dessert, or a treat or thoughtful gift card, is always appreciated as well. Ask about dietary likes and limitations.

Our pastoral staff and our other clergy have been called and anointed by God to serve our group of believers and beyond. Honor them this month. Cards & letters can be left in the office on the desk or slid through the mail slot.

Additional ideas can be found across the internet; use Google, Bing, Yahoo, or another search engine and in the search bar, type something similar to "pastor (or clergy) appreciation month".

Hallelujah!
