We would like to acknowledge the financial aid of an anonymous donor who has allowed us to have a lower retreat cost for this year! That being said, financial help can be available for students who are unable to afford the remaining costs. We believe that money should not stop anyone from coming on this amazing Fall Retreat. Contact Julia McDougall for more info.

Please join us in prayer for our youth and leaders during our Fall Retreat, that they can come to know Him in a personal way and create a deeper sense of community with each other!
