

The children at Hope Lutheran Primary School in Bufuula, Uganda are in desperate need of our help! These impoverished children are underfed and without health care. The school itself is functional, but primitive. There are many improvements needed—such as safer buildings & dorms, and separate latrines for boys & girls.

YOU can make a difference!

For \$300/year, you can help us provide students in need a Christian education and a daily meal at school.

Will you help us in Bufuula?

About Us

We are Grace Lutheran Church in San Marcos, Texas.

We are Christians who desire to make an eternal difference for the children in Uganda by providing them the opportunity to receive a Christian education at Hope Lutheran Primary School. We seek to instill present hope through education and eternal hope through the Gospel of Jesus Christ.

How can I become a sponsor?

Simply fill out the form included with this brochure. You can return your form and payment in the offering plate at Grace Lutheran, or mail them to our Church office. If you prefer to give online, submit your form to the office and scan the QR code to access the giving form on our church website.

Hope Lutheran Primary School Sponsorship Information

Make a difference today!

Hope Lutheran Primary

Not long ago, the primary school in Bufuula, Uganda consisted of a few students gathering under a tree being educated by a volunteer teacher.

In 2013, Hope Lutheran Church in Lubbock, Texas provided financial support to build school structures where the children could receive a good education and learn of our Savior, Jesus Christ. The school adopted the name of the congregation in Texas that provided that early, significant support. **The school now offers pre-K through 7th grade classes, serving over 200 students.**

In 2023, the members of Grace Lutheran in San Marcos, Texas, offered to sponsor children at Hope Primary. Through current sponsorships, Grace covers the costs for all present staff at the school. We hope to increase our level of support to help offset more of the school's operating expenses in the future.

The Realities of Life in Bufuula

The village of Bufuula is located in an extremely impoverished and remote part of Uganda. If tuition was required, the majority of students would be unable to attend Hope Lutheran Primary School. Rather than turn these precious souls away, the students are allowed to attend. Since so few students can pay the fees, your sponsorship support is greatly needed and appreciated.

However, students who *can* pay the fees *do*! Through generous donations, the school was recently able to implement the Rafiki Christian curriculum and provide the teachers training. As a result of these educational improvements, it is our hope that more and more students who can pay will be attracted to the school. In time, and by God's grace, the school may become more self-sufficient.

Still, the clock is ticking for each one of the children currently attending the school. Help us to provide the love and care these children of our heavenly Father need.

Every sponsor will receive a picture of a child in Bufuula. All we ask, beyond the \$300/year financial support, is that DAILY you will lift up that child in prayer to our Father in heaven.

“A little in the states, goes a loooong way in Uganda. God has been gracious to us enabling our generosity to others!” -Rev. Dr. Craig Du Bois, Senior Pastor, Grace Lutheran Church San Marcos

Our sponsorships ensure the staff receives some compensation so the school can operate. Additional sponsorships will help us increase wages for staff, provide needed food, building improvements, and expand curriculum offerings.
