## A prayer for World Food Day

by Alydia Smith

Creator,

Conspire with us  
to create a world where all have access to nutritious and sustainable food  
sources,  
and none live with scarcity or food insecurity.

Redeemer,  
Save us from oppressive and unjust systems.  
Mobilize us to be a part of a world response  
that works in partnership with those of good will  
to foster equitable resource sharing.

Sustainer,  
Cultivate our resilience and expand our imaginations,  
so that we might continually find new ways  
to answer the call to end hunger—  
until all may flourish.

Amen.
