

My Response to God's Mission

Christian Stewardship at St. Dunstan's is lived out by

- living and telling the Good News,
- hearing God in prayer and meditation,
- and in seeking justice, peace, and the integrity of creation.

As followers of Christ Jesus, we commit ourselves to wisely employing God-given material resources, talents, skills, expertise, relationships, and time for God's mission where we live, worship, work and play.
