GIFT DAY 2025

From one generation to the next, the Lord has been faithful. He has entrusted us with the message of the gospel, the joy of belonging to a New Testament community, and the call to participate in His unfolding work in the world.

Through the years, God has used the generosity of His people at Hope Valley Church to transform lives and extend His kingdom - from major property developments to new ministries that have touched our valley and beyond. We live in the blessing of those past gifts.

Now, we believe God is calling us to step into a new season.

MORE THAN A BUILDING

Hope Valley Church is more than a building. It is a place of worship, a sanctuary of hope, a launching ground for ministry, and a gathering space for all generations. It's where lives are changed, faith is deepened, and the love of Jesus is fully known.

Over the past year, through prayer, discernment, and practical wisdom, our leadership team and Church Council have sought God's vision for what's next. The answer has become clear: now is the time to prepare for the future through the 2025 Gift Day.

This 2025 Gift Day includes both property improvements and new gospel initiatives and it is all deeply spiritual. It is a call to faith, generosity, and trust in the God who provides and to believe in the One who is able to do more than we can think or imagine.

LET IT SPRING FORTH

I invite you to pray, discern and sow into Christ's plans and purposes for you and Hope Valley Church.

Let us, as one body, generously invest in the next chapter of Hope Valley Church.

The time has come to "let it spring forth."

Stage 2 is the master plan to develop our front entrance and playground area as a seamless invitation for our community and future generations.

It involves concepts to develop the front entrance with an extended portico spanning the car drive-through, providing an undercover walkway to Grand Junction Rd.

New landscape design will bridge the gap between our church and wider community, creating spaces for conversation and connection.

Our prayer is that these developments will help us continue our calling to be a lighthouse church—shining God’s love and welcome to all who come near, and creating a space where community and faith can grow together.

*...we will tell the next
generation
the praiseworthy deeds of
the Lord, his power, and the
wonders he has done.*

Psalms 78:4

The northern playground major redevelopment is to improve the indoor / outdoor flow between the Hub and playground area. It will provide a space that the generations can grow and gather in.

Our church currently ministers to many families in our local community, offering a place of friendship, encouragement, and connection through our Playgroup and Mums & Bubs ministries. Our prayer is that through these developments, even more families will be drawn not only into community but into God's family—discovering His love and hope through all we do.

HOW IT SPRINGS FORTH

God delights in taking what we bring and multiplying it for His purposes. **Just as a small seed can grow into abundant life, our combined gifts make a lasting difference in what God is springing forth among us.**

We cannot all give the same amount but we can all give sacrificially. Together, we're part of something that only He can make flourish.

Achieving Stage 1 (\$300, 000) would be a "Praise God!" result.

Achieving Stage 1 & 2 (\$645, 000) would be a "Hallelujah" result!
