Questions for Further Discussion:

(Great for Life Groups, family devotionals, or with a friend)

1. Is your work for you or for God? Consider the labor which you are responsible for. How can you glorify Him in it?
2. Does the way you work acknowledge that God is at work? Do you start your labor with believing God is laboring?
3. Does your work attempt to build what God is building? How can your work be part of his work?
4. Do you attune your work to His law? How do you align the way you work with his ways? (Justice, Mercy, Love, Etc.)
