Garrett & Jessica Berk

(Working w/ Campus ambassadors at local colleges in OR)

Summer has been busy, but things should be a little quieter for the next two weeks, before we begin the ramp up for the start of the school year. Chemeketa fall term starts on September 30th. Thank you so much for your prayers.

A few specific items to lift up would be:

1. **Jessica's health:** She is feeling good and energetic, but had to suspend her maintenance therapy due to her low platelets. She has her next bloodwork in two weeks, so pray that her numbers have come back up, and that she won't need another bone marrow biopsy
2. **Our summer support campaign:** Along with the whole Northwest Region, we are engaged in our summer support push, as we hope to build and strengthen our ministry partnership team before the fall, so that we can all focus fully on the ministry on campus. Pray for God to raise up new ministry partners so that our entire region can be fully funded
3. **Our Student Leadership Team:** We have a dozen students on our leadership team for the year ahead, after having only three just a few years ago. Praise God! Pray for a unified vision and strategy as we prepare for the new school year, and for all the logistics that still need to happen between now and the start of class on September 30th.
