## CONNECT

Zacchaeus cheated people as a tax collector and made people give him more money for taxes than they had to. He kept the extra money for himself. After meeting Jesus, he changed his ways and decided he would give half of his possessions to the poor and pay back the people four times what he had cheated them in order to make things right.

Is there anything you do or have done that you would like to change? How can you make things right? Who in your life can you ask to help you make things right when you make a mistake?
