SEPTEMBER 2025

LAND HAS BEEN PAID FOR!

PHASE 1 IS FINISHED!

- We praise the Lord for providing for the purchase of the land.
- This moves us **one step closer** to finishing the Caldas Church Building Project.
- The fact that the church has a property of their own is a great accomplishment.
- This last month so much was provided;
 - **\$20,769 came in during September.**
 - That actually **puts us \$17,137 into Phase 2** of the building project.
- Thank you very much for giving towards the ministry here!

NOW ONTO PHASE 2 OF CALDAS CHURCH BUILDING PROJECT:

- It is now time to get everything ready to build.
 - Because of the extra gifts that have come in, we already started taking the next steps.
- **Please help us pray for these:**
 - Get **construction license:**
 - For this we needed to **test the dirt in the ground.** This has already been done.
 - We already started working with an **architect** that will help us get the construction license. Soon we should have a good rendering to show you all what it will look like.
 - **God has already provided skilled laborers** so that we can start construction soon.

OUTREACH CONTINUES:

- I thank God that He gives me the opportunity to go on outreach with my wife and my son.
 - Many other joined us from the church during our weekly outreach time.
 - It is a joy to see that they are making the sacrifice to reach their life long neighbors and friends.
- People here in are very religious and many have not heard a clear explanation of the Gospel.
- Please continue to pray for us for the people that God has called us to minister to.

FAMILY BBQ AND DISCIPLESHIP:

- During September we had a big family event: **BBQ and soccer.**
 - Our people here love to go out on the countryside and eat some steak with sports. Family events are some of our favorite here.
 - We also had **new people (visitors) that came to this event.**
- **Discipleship** is something that **keeps growing** in our church:
 - We thank God for this.
 - A lot of **rooms get full** at church because of people doing discipleship.
- So far we are using **7 spaces for discipleship before and after services.**
 - We are looking forward to when we have the new building with more space.

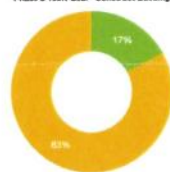

Phase 1 100K Goal - Land Purchase

Completed!

Phase 2 100K Goal - Construct Building

COLOMBIA CHURCH PLANTING LAND FUND: FOR IGLESIA BAPTISTA VISION IN CALDAS NOW IN PHASE 2, FINAL PHASE!

- During the month of September **\$20,769 dollars came in** for this project. Praise the Lord!
- **Phase 1 is now finished!** Now onto **Phase 2, construction of the church building.**
 - We now have **\$17,137 towards the construction cost of the new building. The goal is 100K! \$82,863 left.**
- God has already already provided the funds for the first phase. We know He will provide the remaining funds.

October 2025 Giver Letter

The first full month of the 2025-26 school year has passed, and we are blessed. Students have been visiting area churches for the past month, and they have now settled into their ministries at those churches for the school year. The freshmen are learning the daily rhythms of college life and learning the ropes. I thank the Lord for the good start.

In the middle of this month, students will be taking midterm exams and will be enjoying a fall break shortly thereafter. Students will have the opportunity to go home for a weekend and then return to classes the following Thursday. Pray that the break will be a time of refreshment and productivity.

On October 27-31, we will be hosting our annual missions conference with Dr. Leland Johnson of Macedonia World Baptist Missions in Braselton, GA. This year's theme is *Declare His Glory* taken from Psalm 96:3. Mission representatives from more than twenty-five boards will be with us throughout the week. We will enjoy morning services at 10 a.m. and evening prayer times at 6:30 p.m. on Monday, Tuesday, and Thursday evenings. The week will conclude with a banquet on Friday night featuring French cuisine and some online interviews with several of our graduates who are serving on the mission field. Please pray for God to call students to the mission field during this week.

As we approach the middle of the semester, we have some students who are in financial need. Gifts to the student scholarship fund are always helpful and appreciated. Donations to the student scholarship fund are tax deductible and may be given securely online by clicking [here](#). We also have an endowment fund that is exclusively used to fund student scholarships. If you would like to learn more about the Ambassador Endowment Fund and giving a sizeable donation that will result in perpetual scholarships for the future, please click [here](#).

There is still room for high schoolers to join us for [College Days](#) on November 6-7. We want young men and women to see ABC up close and learn how we help prepare men and women for the ministry. We are also looking forward to hosting the [Rekindle Youth Conference](#) on November 8 with Evangelist Jake D'Andrea. Pray for these events and bring teens if you can.

It is a privilege to help train men and women for the ministry. Thank you for helping us with this important task. May the Lord bless you for supporting Ambassador Baptist College as we *train God's servants for God's service*.

An ambassador for Christ,

Alton Beal
President

From the Heart of a Pastor –

“Opened Windows”

I opened the windows of the parsonage today to experience and enjoy the fresh, crisp Autumn air. It brought with it memories of my childhood; those days before we had air-conditioning in the home in which I was raised. Even though I grew up in the mountains of Western North Carolina, we still had those hot summer days and nights. July, August, and September could not end soon enough for me. In fact, I welcomed a return to school in the fall as I knew that with it came cooler temperatures. I know that there are those in the world that relish warm weather. For me, I can tolerate it until it gets above 75 degrees. I just love colder climates. There is something refreshing about them. There is a clarity that is seen and felt when a cool, gentle breeze washes over you. It affects you physically, emotionally, and even spiritually.

I firmly believe that the heat of the battle and the burdens of life have a way of piling upon us cumulatively. The weights that we have carried for weeks, months, or years continue to press down upon us to the place where we often feel as if we can't take it anymore. These are some of Satan's favorite tactics and strategies in discouraging and defeating the Child of God. If he can keep our attention off of the Lord and the help and hope that He provides, we will remain in a place of continual turmoil.

But much like the comforting air that He sends in the fall, He promises that He will send a breath from Heaven for all of those that have been impacted by The Fall. Through His Spirit and His Word, He provides us fresh, crisp, calming, and uplifting assurances that are new every morning. He speaks words of peace and protection and provision. He has given us the Divine declaration that He will never leave us or forsake us. And at just the right time, and in just the right way, He sends a rushing, mighty wind to revive our weary soul.

Yet there is a responsibility that rests upon us if we are to receive what He so desires to give. We can never fully enjoy His blessings on our lives if we are walking contrary to His will. Much like Daniel we must be obedient in opening the windows of our hearts to the truth of His Word. And regardless of the decree from any earthly power, the One that has all power in Heaven and earth will reward His children in due season.

So the next time you feel the urge to lower the windows of your car or open the windows of your home, ask yourself this question – “Have I opened the window of my heart to receive a refreshing revival from above?”
