National Day of Remembrance & Action

*Please Join Us at St Mary's Anglican Church
December 6 at 5:00 pm*

On December 6, we gather to honour the lives of the 14 women murdered at École Polytechnique in 1989, and to stand against all gender-based violence. This National Day of Remembrance calls us to reflect, remember, and renew our commitment to building a safer, more just society. All are welcome—your presence matters.

Presiders: Melanie Ihmels and The Ven. Dr. Lon Towstego
