### **MISSION MOMENT: Sunday, November 2**

In a small village in Nepal, 25 people gathered to form the Pipalchautari Self-Help Group (SHG). With support from PWS&D and a local partner, the group began working to strengthen their community and improve safety from issues like wildfires and landslides. When group member Darpana's home caught fire, everything was lost. However, the SHG was prepared to deal with the emergency. After the fire, they held an emergency meeting and were able to provide her with food supplies they had stockpiled as part of their emergency planning. This support helped Darpana and her family start over. "I'm very thankful to all the group members for helping me during my hardest time," Darpana shares. "This support demonstrated the power of unity."
