A TIME TO GROW

God has been calling us to grow as a whole here at WCC Youth. To grow in numbers, grow in knowledge of Him, grow in relationship between each other, and grow in spirit and in servitude. In October, we focused on how we can become more effective to those around us who are far from God, how we are called by Him to Care, to Serve, and to Share the Gospel with them.

We spent time in the nursing home with the seniors, we helped out at the GLOW 4.0 outreach event at church for our community, we learned how we can effectively impact the world around us in a positive way and making a difference in the lives of the people around us. And the challenge before us has always been courage, to be brave enough to speak up, to speak life into people, and to show genuine love towards our peers.

The youth raised up to the challenge, it's not easy, but baby steps are taken. Praise the Lord!

November is an exciting month! The Youth band has been working hard preparing for the Youth Sunday on November 30th! Make sure you mark it on your calendar and plan to attend the Youth Sunday Service!
