

CLASSROOM NEWSLETTER

Look What We Learned

Hello Families,

Happy November! I hope you all had a wonderful weekend! November is full exciting events, as well as so many fun new activities of learning.

The next few weeks we will be learning new letters, and numbers. Learning to count and recognize the sound each letter makes. I break it up weekly. Usually every week we have a new letter and number.

We also really work on cutting in the classroom as well as so many fun crafts.

We will also be talking about what we are Thankful for.
