

NOVEMBER MISSION FOCUS: Local Missions

Have you heard about the Lakewood Missions Committee? This committee helps the church determine areas of need we, as a church body, can support in our community and around the globe. We would like to take time this November to tell you about just a few of the organizations and campaigns we support and ask you to join us in prayer for them.

Angel Tree :

So often, children of incarcerated parents wonder if Mom or Dad still loves them. A simple gift given through a church can change all of this.

Through Angel Tree Christmas, a ministry of Prison Fellowship, we purchase gifts for the children of inmates who have signed up for the program, and deliver them to their kids on their behalf, so they can know they are not forgotten.

Our participation with Angel Tree is one of the many ways our Missions Committee serves our local community with the love of Jesus.

Today @ Lakewood

Message: We're continuing in the Journey to Freedom, as Jonathon Peters dives into Exodus 19-20 and God's covenant with his people.

We're so glad you joined us today!
Here are a few things you may want to know:

For details on events and groups, check out lakewoodalliance.com & the Church Center App.

During the service, there will be singing, a message, prayer, and what we call 'response time' where we serve communion (once you receive the elements, feel free to take when you are ready), have opportunity for prayer, and take up an offering.

If you have kids, at the 9am service they will be dismissed for sign in and their program mid-way through the service. The nursery will be open for both services.

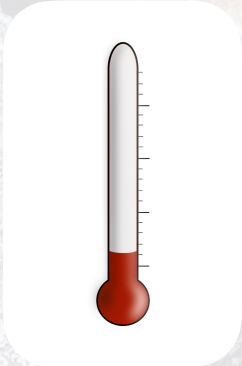

To register your kids, use the QR Code and you can fill out the family form there.

Please take a moment to fill out the 'Get Connected' card in the seat back in front of you. After the service, while you're enjoying a cup of coffee or tea, give the card to one of our hospitality team and they'll give you a Welcome Package with some information and a small gift for you.

FEEL THE HEAT

Our new furnaces, A/C units, and Hot Water on Demand have now been installed. Now, let's pitch in together to make sure it is all paid for without having to draw down our building fund that is earmarked for other projects. **We have collected almost \$17,000 so far!** If you would like to contribute to the project, you can make a designated donation to the building fund.
