

A Message from Pastor Denise and the Stewardship Team

As we close out 2025, a vibrant year of mission and ministry for Trinity, we prayerfully ask for your support for our 2026 ministry plan.

-We are gaining momentum in our education program.

-Trinity is proud to offer a variety of music in our worship experience – easy, family-friendly music for the family service, traditional liturgy and hymns (enhanced by our choir and bell ensemble), our band Soul Purpose, and Kari's skills on organ and piano.

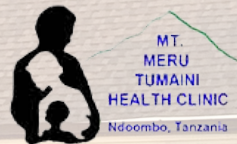

-We are also blessed with our online streaming service, which regularly attracts more than 400 views each week.

Education, music, and streaming -- these are three important parts of our annual mission plan, and probably important areas in your everyday lives as well. Your financial support makes these possible for us. And it starts with your pledge. We plan our work around your pledges, which provide stability and certainty for the day-to-day operations of the church and help our community, both within and outside our church doors, as we share the story of Jesus Christ, so that all may experience God's love.

Your Giving Makes a Difference

- **\$200/week** gives us the means to keep members and the community-at-large connected, both digitally and in person, through technology and multimedia
- **\$100/week** enables our music ministry, from Soul Purpose and our handbells to our weekly worship music
- **\$50/week** helps us fund our adult and youth education programming and staff
- **\$10/week** makes a big difference too, in support of the daily operations of the church
