### **About Harvest Springs**

Harvest Springs Community Church exists to build a Jesus-centered community where people take their next steps following Jesus. Like the promise of Psalm 107:35–37, we believe God is turning spiritual desert places into springs of life through centering lives on Jesus, cultivating growth, renewal, and fruitfulness in the heart of north-central Montana.

Our church family, which averages between 350 - 400 in attendance, gathers every Sunday at 9:00 and 11:00 a.m. for vibrant, Christ-centered, and multigenerational worship. Harvest Springs is led by a shared leadership model involving two lead pastors: a lead teaching pastor and a lead executive pastor. We are committed to shared leadership throughout our team, where collaboration, creativity, and mutual encouragement inform our approach to serving and leading.

From Harvest Kids to Harvest Youth, we cherish every generation as part of God's story, helping each individual grow in faith and take their next step toward Jesus together. Community Groups and serving teams enable people to connect beyond Sunday as we build community together. God has been transforming lives through baptisms over the past two years, and we're praying for God to do even more in and through us as a church (Ephesians 3:14-21).

Located in Great Falls, Montana, Harvest Springs is situated in a city celebrated for its strong community spirit and deep military roots, being home to Malmstrom Air Force Base. Located on the Missouri River, with the Rocky Mountain Front in the distance, Great Falls offers an ideal mix of outdoor adventure, family-friendly living, and small-town connection.
