"LIGHTS OUT" WEDNESDAY

"Lights Out" Wednesday was, can we say, lights out?! We had 15 visitation and study groups scattered throughout Lauderdale county. How powerful was it to consider that as one group gathered, there were so many other Christians gathering for the same purpose at another public place...or the fact that shut-ins were being visited and encouraged...God blessed the effort and thank you to all who participated in the STUDY, FELLOWSHIP, and EVANGELISTIC efforts! Till next time...Be Light!
