

The Body That Forgot Itself

Text: 1 Corinthians 12:27–13:3

Main Truth: The Church is alive when love is its bloodstream.

1. God Characterizes the Body (v.27)

- What does it mean to *be* the body of Christ, not just belong to it?
- How does our identity as His body change how we serve one another?
- How does knowing who you are in Christ free you from comparison?

2. God Constructs the Body (vv.28–30)

- Why is diversity essential to unity in the Church?
- Which gift or calling has God “set in place” in your life to strengthen others?
- How can you celebrate others’ gifts without jealousy or pride?

3. God Courses the Body (v.31–13:3)

- How does love transform the way we use our gifts?
- What does it mean to let love govern your words, wisdom, and ways?
- Are you chasing new revelations or resting in *the* revelation — Jesus Christ?

4. Application: Restoring Spiritual Balance

- Where has pride or division caused the Body to lose rhythm?
- How can you help restore awareness of Christ’s headship in your church family?
- What does it look like for our church to anchor itself in the final revelation of Christ rather than emotional experiences or novel “words”?
- This week, what is one act of love that will reveal Jesus through you?

Key Takeaway

The Holy Spirit reveals **Christ**, not curiosities or new prophecies.

True spirituality isn’t chasing new revelations — it’s living in the one already revealed: **Jesus Christ, the Lord of glory.**
