

Celebrating Our Past
Honoring the Present
Committing to the Future

November has been designated as Stewardship month, a time for reflection on our blessings and how we might joyfully share what we have in support of St. Mark's. We will be hearing many stories during our campaign this year, focusing on the inspirations that drive folks to share their gifts from the abundance that God has given them.

The Vestry has set a target pledge goal of \$110,000. Your promises of financial support allow us to plan a budget to fund staff salaries, building maintenance and utilities, and important ministries in which we participate. If you have not pledged in the past, please prayerfully consider doing so for 2026. We need you now more than ever due to funding lost through those who have moved away. If you have pledged in the past, please consider increasing your gift if you can to help us meet the increased costs associated with running our church building. St Mark's has been here for you in the past and wishes to be here for you in the future!

There are two ways in which you can submit your pledge:

1. Fill out the pledge form located at the back of the church or received by mail and place it in the offering plate, or mail it to St Mark's at 75 Cold Spring Road, Westford, MA 01886 (Attn: Stewardship)
2. Email our confidential email address at st.markspledges@gmail.com

Thank you in advance for your support!
