30 Praise God, He enable Alexander to complete "Leadership Essentials" with no issues at all! Pray for continued success as he completes the 4 remaining classes.	12/1 Pray that God would grant us favor in the eyes of the foundation board considering funding CYIA™ in Clearfield Co.	12/2 Thank God for the special work that our volunteers do both at the office & in the ministry, God has blessed us with so many amazing workers. Pray His blessing on them!	12/3 Pray that God would work in the hearts of the children attending Good News Club® in Big Run. Pray that they would long to grow in their relationship with Christ.	12/4 Pray for a streamlined process for CYIA hiring and paperwork will be established in time for all chapters to utilize it in the coming year.	12/5 Pray for the ministry of CEF across USA, as ministry has declined over the past decade. Pray that He would open the eyes and hearts of local leaders for more opportunities.	1 Pray God will be lifted high today as we proclaim His glory, testify to His great & mighty deeds, and ask Him to lead us into deep & unknown waters to spread the Good
2 Give God thanks for the favor He brought us in the eyes of Walmart personnel that granted the ministry \$1,000 for fall GNC expenses. Pray He will bless & multiply that giving.	3 Pray that our newly developing contacts in Ridgway & Elk Co. will take root and grow into a strong ministry with abundant fruit.	4 Ask God to speak to the spirit of our workers to evaluate where/how they might reach additional children through Christmas Party Club ministry. Pray they will lead or host a club in their home or church.	5 Pray God will give us 25 Christmas Party Clubs with at least half in new locations. Ask him to use these clubs to open opportunities for increased summer & GNC ministry.	6 Thank the Lord for the opportunities He has provided to promote summer missions & CYIA. Pray He open more doors & will call 8 summer missionaries to service.	7 Praise God for the gift of ministry funding through the USA Ministry Coordinator Assistance Program. Pray this will bolster Alexander's ministry as he completes CMI & raises personal support.	8 Pray for Alexander as he begins another CMI course in January and then another in March. Pray that God would give him energy & self determination to do his best to complete the courses with excellence.
9 Celebrate God's goodness. 340 people registered to attend our annual ministry showcase and fundraiser—our biggest yet! Pray many hearts will go deeper with God as a result.	10 Pray that God would give us a connection in Clearfield County that would allow us to begin a new Good News Club.	11 To sharpen & expand our GNC ministry, pray God would compel at least 6 new people and any current teachers who have not yet completed the TCE Level 1 course to enroll in the January class.	12 Pray club leaders will creatively embrace new technology that will enable them to connect with kids on a greater level utilizing CEF's new digital resources & videos.	13 Pray former CYIA will register to attend our January retreat & will commit to serve again this summer. Pray that scholarships will be provided for all those in need.	14 Pray for the local small group meeting between the CEF chapters of JEC, AIW, and VFC. Ask God to guide our discussion & provide encouragement from His Word for leaders in these chapters.	15 Pray that God would give greater vision of reaching children in the areas of Jefferson-Elk, and Clearfield Counties & call much needed committee members to service.
16 All our fall GNCs are off to a great start with leadership and volunteers who are excited to serve. Praise God for the blessing of 127 volunteers working together for the Glory of His Son!	17 Pray for the Christmas party club training today. Ask God to provide us with more workers and open doors to 25 Christmas Party Clubs this season.	18 As we near the end of fall GNC ministry, pray God will give workers the courage & determination to connect students with churches in their area. They are a lifeline to the family of God.	19 Pray for God's wisdom & provision as we look to adapting summer clubs to a 3 Day format . This would enable more World Cup Soccer outreach & mini camp opportunities.	20 Pray returning summer missionaries will desire to help recruit new summer workers by sharing their testimony of God at work in and through the CYIA program.	21 Thank God for the cooperation of CEF Workers at every level. Pray He will provide adequate instructors & arrange their schedules allowing them to participate in TCE1 this January.	22 Pray God would use Giving Tuesday (Dec. 2nd) as a way to draw general attention to the ministry of CEF & provide a encouragement to support us financially.
23 Praise God for the rapid response at the national level to the needs of the chapters regarding soccer and Christmas resources. Pray 10,000 PA children will be reached as a result.	24 Pray God would open up more opportunities for Truth Seeker ministry in Elk Co. where there is a mass of children to be reached but our ministry impact is smallest.	25 Pray for the teachers & shepherds at Punxsy GNC this week as they juggle club with Thanksgiving plans. Ask God to provide them with joy & energy to finish well.	26 Even now, pray God will call a summer ministry coordinator to organize, schedule, & assist in training for summer ministry.	27 Pray that God would allow us to follow-up with previous CYIA and stay connected with them this Christmas season. Pray for increased spiritual intimacy with God.	28 Today's technology & need for increased digital communication can be overwhelming. Pray for solutions to complex problems & people w/expertise to assist in their resolution.	29 Pray that God would provide 25 host locations for CPCs and that each committee member would be able to find at least 2 new locations
