Our church is growing! With that growth we have had a very high turn-out to our Women's Christmas parties the last few years. As a result, it necessary to find somewhere to hold the party that can accommodate all of us.

Therefore, our Women's Christmas party will be held at the Best Western this year.

This change will incur the church a cost significantly higher than normal. The church leadership feels this is an important function which fosters relationship within the church body and often reaches out beyond our physical church walls.

Although the church is prepared to cover the full cost, we would welcome donations towards the party. If you would like to help, just mark your donation to go towards that event.

Thanks!
