

**WHOLESOME**  
COMMUNITY MINISTRIES

**WE STILL STANDING TOGETHER**  
*Join Us on our 17th annual Fall  
Festival*

This year, we pay special tribute to how our community came together during the three hurricanes **Debby, Helene, and Milton** in the fall of 2024. Through every challenge, our spirit of unity and support has grown stronger. Let's gather to celebrate resilience, friendship, and the power of standing together. We want to give special thanks to our First Responders, and everyone that helped and are still helping on our Long-Term Recovery.
