Worship the Lord with Gladness

Psalm 100 Shout for joy to the Lord, all the earth. Worship the Lord with gladness; come before him with joyful songs. Know that the Lord is God. It is he who made us, and we are his; we are his people, the sheep of his pasture. Enter his gates with thanksgiving and his courts with praise; give thanks to him and praise his name. For the Lord is good and his love endures forever; his faithfulness continues through all generations.

Whatever you are facing right now, whatever season you are walking in, may the words in this Psalm encourage and lift you. May your heart be filled with an overflowing love and joy towards the One True God who adores you and is ever faithful to you. No matter what hardships you face; know that God sees you, He provides for you and He works all things for the good of those who love Him. His love for you is unchanging and unfailing.

He calls us to be faithful to Him in all circumstances, not looking to the left or the right. Let us keep our eyes squarely on Jesus, the perfecter of our faith. Let us persevere in hope knowing God goes before us in every battle. *Hebrews 10:23 "Let us hold unswervingly to the hope we profess, for he who promised is faithful."*

This Thanksgiving and every day going forward, let us not look at what we lack; rather let us rejoice in praise to God for all the blessings we have, the greatest being His Son, Jesus! We bless You Lord for Your goodness. We thank You for every victory we have in Jesus!

God Will Use You in Mighty Ways to Serve Him

Ephesians 3: 20-21 Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, ²¹ to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.

There is no greater joy than to be used by God to bring about His purposes in sharing the Gospel and building His kingdom! We are created to serve Him and as we do, our hearts are filled with overflowing joy. The more we set aside our own desires and follow what God calls us to do for *His name's sake*, the greater contentment we have. It is truly beautiful how God created us to have a deep need to serve others. As we joyfully serve where God calls us, we can literally feel our heart swell up with love for not only God, but towards those we are serving. It's a love we would never have on our own for others, but one that only comes from our Father, who first showed this love to us.

As we wind down for 2025, reflect upon the times you were most filled with joy this year. Were you helping someone? How so? Thank God for those opportunities to be His light.

Seek God in prayer and ask Him to use you in a mighty way in 2026-*bigger than anything you can imagine now*, opening your heart to whatever He leads you to do in His name. There is SO MUCH more one can do as they make themselves available to God who can do ***exceedingly, abundantly, above all that one asks for!*** Be a mighty vessel for His love and grace to flow through in this next year!
