Subject:
Launch of Our Giving Campaign – A Seed to Make a Difference 🌱

Greetings Mt. Olive,

This Sunday, November 16th, marks the launch of our Giving Campaign: “A Seed to Make a Difference.” We are asking everyone to bring your best seed this Sunday and continue giving through December 31st as we sow into the Kingdom and make a difference together.

During this season, we also desire to be a blessing to our community and our members. We will be providing Thanksgiving baskets that include *turkey, ham, green beans, cranberry sauce, eggs, five-pound bags of potatoes, mayo, pickles, celery, onions, cornmeal, cake mix and frosting, mac and cheese, and cream of chicken*. You may begin turning in these items now through November 23rd, when we will distribute the baskets to families in need within our church and community.

In addition, we want to remind you that there are resources available to those affected by the government shutdown or anyone in need of support during this time. If you are in need or know someone who is, please visit our website OutreachMinistriesInc.org to access Spalding County Resource List for assistance.

Thank you for your generosity, compassion, and continued support. Together, we can truly make a difference!

With love and gratitude,
Bishop Donoval Miller

WE ARE BETTER TOGETHER!
