

Agenda - November 4, 2025 7:00-8:30 pm

Official Mandate:

The Net Zero Committee is working towards the goals of:
making the Richmond Hill United Church a net zero greenhouse gas emitter by the year 2030
through working to increase engagement in the community on the climate crisis and decreasing
emissions from the church buildings and congregants.

Topic / Task	Additional Info
Welcome and check-in -
