

Rejoice in the Lamb

Christ the King Sunday, November 23

Have you ever wondered about the relationship between an 18th Century British poet and St. Matthew's Church north of London, celebrating its 50th Anniversary in 1943, the Tom and Jerry cartoons of yesteryear and your own searching for God in the craziness of our world?

Next Sunday, November 23,
on the Festival of Christ the King,
the culminating festival of the church year,
our choir will consider the question
by singing the sermon in the form of cantata.

Here is some suggested homework:

- 1) **TAKE IN** the **Art Exhibit** in the Gathering Space prepared by our youth.
- 2) **PICK UP** a **copy of the Program Notes** in the Gathering Space and read it between now and next Sunday, or maybe during the prelude music.
- 3) **GOOGLE:** <Evolution of Tom and Jerry Channel Frederator You Tube>
- 4) **JOIN US Sunday, November 23, 10:30**
