

# Update from Nepal

## From Paul and Amber Taube

### November 2025

The Lord has continued to bless the ministry here in Nepal! We saw another young man make a profession. He had been coming for a few months before trusting in Christ for salvation. There are several others attending church that have not yet made a decision to follow Jesus. It usually takes many months or even a year before people are ready. Please pray for those who have been coming to continue to learn more about the gospel.

Every October we participate in a men's prayer conference with several other churches. This year's meeting was a great blessing to me and to our church people. It was a wonderful time of encouragement and fellowship. Pray that God would raise up godly men to pastor churches in Nepal.

Our church took advantage of Nepal's holiday season to organize a church outreach picnic. We had an amazing turnout with around 70 people showing up. We had over 60 crammed into a 40 passenger bus! It was a day of fun and fellowship with a wonderful opportunity to share the gospel with many visitors. Please pray for these new friends and our church as we continue to reach into our community with the love of Christ.

Again, we want to announce our upcoming furlough beginning in March 2026. One of our goals is to raise funds for a building for Grace Baptist Church. We would love to report to your church and share all that God has done and is doing in Nepal. Please reach out to schedule a time for us to be with you.
