A Seed to Make a Difference Campaign 🌱 - Thank You Letter

Greetings Mt. Olive,

We had an excellent launch of our A Seed to Make a Difference campaign this past Sunday, November 16th. We are standing in faith and believing God to reach our goal before the close of our campaign on December 31st.

We are asking everyone to continue giving and trusting God for seed, for the Word declares that He gives seed to the Sower. Our desire is to be a church that makes a difference—blessing others, impacting lives, and advancing the Kingdom.

With love and gratitude,
Bishop Donoval Miller
