

## JULY/AUGUST 2025 PRAYER LETTER

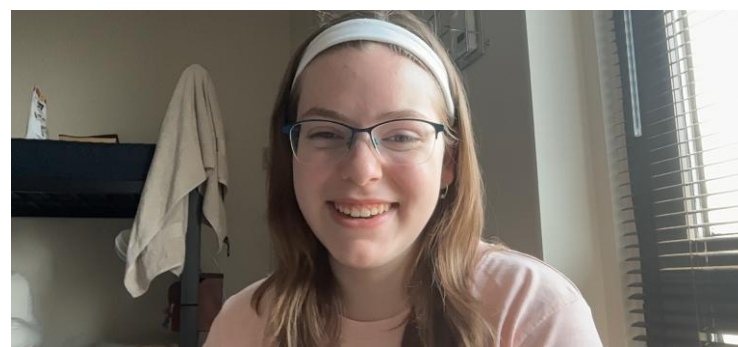

As a couple, we have spent most of our married lives here in Moldova ministering to the people of Moldova. During that time, God also blessed us with our three children, who have spent most of their lives alongside us here. This summer though, we boarded a plane as a family of five and headed back to North America to help Hannah settle into her dorm room. She began her freshman year at the end of August at Pensacola Christian College.

Before arriving in Pensacola, Florida, we were able to enjoy a visit with both of our families. All three of our children had the privilege of attending a Christian camp in America for the first time. The highlight of the summer for Hannah and Josiah though was attending a special reentry program for Missionary Kids. Although our children are Americans, they have hardly spent any time in America. This program helped give them tools to adapt and understand the new culture that they will be living in. **Please pray for Hannah this year as she navigates college life and a new culture all at the same time.**

It was also a blessing this summer to catch up with old friends, family, and some of our supporting churches. Our time in North America was short, but Daniel was able to report back and share what is happening in Moldova with 7 different churches. We were encouraged and refreshed to fellowship with so many people who lift us up in prayer. **Please also pray for us, as we adjust to Hannah not being at home any more.**
