

OCTOBER 2025 PRAYER LETTER

For our Thanksgiving/Harvest service, we invited two other churches to join us in celebrating God's goodness and faithfulness to us over the past year. The women of the church worked together to decorate the auditorium and make some special food for our fellowship after the service. Altogether, we had over 120 people in attendance and had to put out a lot more chairs than we had expected.

Alongside our thanksgiving service, we also celebrated four believers who wanted to obey God through the waters of baptism. Each of the four being baptized, shared how they had accepted Jesus Christ as their personal Savior and then demonstrated their faith through baptism. Our youngest daughter, Tabitha, was one of the four baptized. What a great joy it is to watch our children follow Christ and begin to serve Him.

Another one who was baptized is a young, married woman who has been attending our church for about a year. She grew up in an Orthodox home and married a young man a few years ago who grew up in a Baptist church here in our town. As a teenager though, he chose to walk away from church. About a year and a half ago, she understood Jesus' sacrifice for her sin and is now soaking up God's word and growing in her faith. Her heart's desire is to worship God and grow spiritually together as a family. **Please pray for her husband to finally understand his need of a personal Savior, so that together they can raise their daughter for the Lord.**
