November 2025

It's that time of year again: the leaves are falling, the rain has arrived, and it's time to renew our commitment to Saint Andrew's Lutheran Church! Another word for commitment is STEWARDSHIP, and **Stewardship Sunday is on November 23**. On that Sunday we have the opportunity to make our pledge, both financial and with our time and talents.

Our financial giving supports all our commitments: the church staff, the building needs, and our budgeted commitments to our partner ministry organizations. Your pledged giving guides our mission and ministry for the year.

Your financial pledge can be received in many ways. Options include: plate offerings, monthly contributions (check or credit card), Tithe.ly, charitable giving from your IRA qualified distribution, and stock donations. Please contact Treasurer Bill Brueggemann (Bill@salc.church) if you need help in finding what works best for you.

Sharing your time and talents is a BIG part of what happens at church and makes things appear seamless from the outside. On your pledge card is a list of the committees and areas of ministry that are dependent on volunteers. I am sure that one or more will appeal to you.

I ask that you prayerfully consider all the needs of our church, and participate in Stewardship Sunday with your financial, as well as time and talent, pledge.

See you then,

Kit Bowerman, Stewardship Committee chair
