

November 23, 2025 Church Service

We pray that God would be glorified through the Milliken Presbyterian Church. Pray that we would be salt and light in the world as He made us to be. Pray that we will be obedient and good stewards. May our sails be filled with the wind of the Holy Spirit and our hearts filled with His word. May we be His hands and feet.

We ask your prayers of blessing upon the Christmas Child Boxes that went out on Sunday. We pray that through them many children will be blessed and come to know how very much God loves them.

Praise

We give praise that Amanda Young saw her doctor last week and he told her she is cancer free. PRAISE THE LORD! We pray she'll remain that way for the rest of her life. We continue our prayers always for little Millie and for Asher.

Becky Hook gave praise that Sarah is doing really well and has been on the honor list and facility and approved for a halfway house in Boulder County. Praise God for that!

Kellyn gave praise for the generous contributions of food collected at Addilyn's school for Weld Food Bank. Pastor Mark shared the incredible donations made to our food pantry and the growing number of families we've been able to help because of it. We give praise for the 2,058 lbs. Milliken Intermediate School collected for us and everyone who has been so caring. We pray for a blessing upon the 90 Thanksgiving Food Baskets we will give out on Monday to our pantry families. We are so grateful for all the support.

Healing Prayers

We pray for Donna Herman's longtime school friend, Shirley. She has been diagnosed with advanced bladder cancer. Please pray for her and her family as they try to make her as comfortable and peaceful as possible.

Sharon Morgan asked for prayers for Joyce Chaput. She is now home after surgery and doctors have told her she is cancer-free. Please pray for her healing, peace and patience. She needs to stay a bit isolated during this stage of recovery.

Phyllis Nelson asks for continued prayers for her daughter in her treatment for breast cancer.

Becky Hook has unspoken prayer requests for three individuals.

Jacob Conover asked us to pray for the safety of his teacher who will be travelling from Arizona and back for Thanksgiving. We pray for all who will be journeying in whatever manner to be with friends and family during this season. He also asked prayers for the RHS basketball team who has their first game December 1st. He would like us to keep him in our prayers.

Dani Jennings would like us to pray for two of her nieces, Harper and Adelyn. They had lost their mother before, and now their father has passed. We pray that God will bring them deep peace, comfort and provision as only He can. May this tragedy not define them.

Peggy Wakeman asks prayers for Connie Brixius who is having surgery to put in a pacemaker on Tuesday.

Andrea Stilwell asks our prayers. Her car died and needs a new motor. Now the truck won't start, Corey thinks it might be the alternator. We haven't had a heater in over a week because it doesn't work either. To say she is stressed is an understatement. She doesn't know how they'll be able to get the boys any gifts. Let's envelope this family in our love and prayers.

Kylie asks continued prayers for Christopher's Grandma, Karen as her family gathers for Thanksgiving. She has decided not to do further surgery. We continue to hold Kylie and her family in love and prayers.

Long Term Prayers

It's easy if you have a chronic or long-term illness or circumstance you are battling to feel forgotten. We need to be faithful in continuing to hold these needs before God.

We keep Kylie in our continued prayers as she asks prayer support for her whole situation. May she seek your will and be obedient to that knowing that she is Your beloved daughter.

Please keep Barry Cook in your prayers. He has made a great transition to living at The Bridge in Greeley. Pray that he gets stronger and continues to enjoy his new residence.

Please continue prayers for Becky Selby, as she is on the same heart medication Todd was. We pray for complete healing for her.

Please continue prayers for Millie. She has surgery every 6 weeks. Prayers for the doctors and nurses treating her and prayers for her family, Amanda, Roy, EvaLee, LeeAnn and Dennis.

Please keep Shirley Kammerzell in your prayers as she deals with her health issues. Pray that they will find effective meds and that she'll be at peace, and feel better and stronger every day. Pray that her heart remains in normal rhythm.

Please continue to pray for Jo Keller. The procedure she had on her neck has not eliminated the pain. Pray for her for guidance in what to do next.

Kristin Eidson asks prayers for Roman. Pray for his sobriety, depression and trust in God. Pray that his therapy would be effective. He is a believer.

Please text me updates on any prayer requests we've had and I will be glad to pass them on. If I have not listed something that you would like us to keep on long term requests, just let me know. Becky S. 970-405-2506.

Prayers for those who face challenges every day

Continue to be mindful of those in our church family who are in care centers. Lift them up in prayer whenever you think of them or take time for a visit.

Donna Shable is at Grace Point and Lois Ann Onorato and Barry Cook are at The Bridge Assisted Living, both in Greeley.
