Don't be Partial to Others

Scripture: James 2:1-17

Food for Thought

1. James speaks against showing partiality based on one's outward appearance. What are some ways that culture can tempt us to treat others differently?
2. Why do you think "small sins" are often treated as less serious? How does James' attitude towards partiality challenge that mindset?
3. James teaches that genuine faith, which understands the mercy of the Gospel, expresses itself in practical mercy of the poor. What are some ways you can meet the needs of people in your community?
