SUNDAY EXTRA

OPENING DOORS AT ST PAUL'S

Thank you to those who have offered to host members and visitors on weekdays as we plan to open our doors, starting next week. A survey has been circulated, asking for **your feedback** about the kinds of learning opportunities, speakers and activities you might enjoy and perhaps be able to support in the space.

If you have not yet completed the survey it has been circulated again with this Sunday Extra email. We would love to hear from you before the end of November so we can start advertising a program for 2026 that invites both our members and friends, and the local community to enjoy our amazing facilities.

Your participation could be regular, or could be as a "one off". There will be opportunities to be involved in building relationships with the local community in all sorts of ways and across different days and times of the week.

Hard copy surveys will be available in the café this Sunday for those who are unable to complete this online.

The Mission Coordinating team are also getting excited about the **St Paul's Fete**. Are you able to come along between 10.00am and 1.00pm on the 6th December for a fete open to the public? This is aimed at all ages and will be a fun event to invite family and friends to attend. **The more the merrier!**

OFFERING UPDATE JANUARY TO OCTOBER

<u>Actual</u>	<u>Budget</u>	<u>Under</u>
359K	380K	(21K)

Thank you for supporting the Mission and Ministries of the St Paul's Congregation through prayer, volunteerism and financially.

At the Special General Meeting the annual offering budget was set at \$460k, a slight increase on the 2024 figure. On the current trend we are likely to be 28k short of target budget by the end of the year.

The current shortfall can be turned around.

Different patterns of attendance, school holidays and other external factors effect regular giving, as well as personal circumstances.

Online giving is one way to ensure regular patterns of giving which in turn helps budget planning.
